## **Work is Underway on New Subdivision in Village of Sussex** *The Glen at Seven Stones*

Work began on the newest subdivision – The Glen at Seven Stones, located at State Highway 164 and Seven Stones Drive, in the Village of Sussex on September 14. The Glen at Seven Stones is a 56 unit condominium development that will also feature a club house and in-ground pool. Construction hours are: 7:00 am – 7:00 pm Monday – Friday and 8:00 am – 5:00 pm on Saturdays.

The main contractor for the project is DF Tomasini and RA Smith is the site inspector. Over the next six weeks DF Tomasini plans to complete: clearing the site, mass grading, building retaining walls, site utilities, installing the roadway base and the sidewalks. Weather permitting this work should be completed in November.

Once these public improvements are completed, the developer, Cornerstone Development, will begin construction of the condominium units and the final landscape plan. If you have any questions during the course of the work, contact the site representative, Gary Heyel, at 262-923-0516 or Eric Nitschke, Director of Public Works/Village Engineer at 262-246-5229.

To learn more about the developer, visit their website at [www.cornerstonedevelopment.com](http://www.cornerstonedevelopment.com).
